## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
California Partnership to End Domestic Violence  
Sacramento, California

We have audited the accompanying statement of financial position of the California Partnership to End Domestic Violence (a nonprofit organization) as of June 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Partnership as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors of  
California Partnership to End Domestic Violence

### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Schedule of Cal-OES Grant Revenue and Expense, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2017 on our consideration of the Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Partnership's internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2017 and 2016

### NOTE A – ORGANIZATION AND DESCRIPTION OF PROGRAM SERVICES

Organization: The California Partnership to End Domestic Violence (the Partnership) located in Sacramento, California is a non-profit public benefit corporation founded in 1993. The Partnership acts as a leader and catalyst for innovative, long-range plans to end domestic violence. In 2003 two state coalitions, the California Alliance Against Domestic Violence (CAADV) and the Southern California Coalition for Battered Women (SCCBW), came together with a desire for a "united voice." That conversation led to the 2005 merger of the two coalitions to form the California Partnership to End Domestic Violence. The partnership is a statewide membership-based coalition providing a united voice for over 200 California individuals and agencies working to end domestic violence at local, state and national levels. Acting as a unified voice on prevention, public policy and systems change, the Partnership provides statewide leadership in service to its members' common goal of promoting the safety and welfare of domestic violence victims and their families. The Partnership believes that by sharing expertise, advocates and legislators can end domestic violence. Every day the Partnership inspires, informs and connects all those concerned with this issue, because together we're stronger.

Our Vision: A California free from domestic violence.

Our Mission: Promote the collective voice of a diverse coalition of organizations and individuals working to eliminate all forms of domestic violence. As an advocate for social change, we advance our mission by shaping public policy, increasing community awareness, and strengthening our members' capacity to work toward our common goal of advancing the safety and healing of victims, survivors and their families.

The Partnership provides services in three primary areas:

Public Policy – Through the Partnership's Public Policy and Research Committees, domestic violence advocates play an integral role in ensuring that California's public policies meet the needs of survivors and programs across the state. The Partnership's policy and systems change efforts aim to hold batterers accountable, create sustainable funding for domestic violence programs and services, and prevent domestic violence by advocating for policies and practices that change social norms.

Communications – The Partnership's Communications Program promotes our collective, statewide voice on domestic violence in California. We lead public awareness campaigns to raise the profile of this issue and our statewide coalition, and conduct media advocacy to increase understanding and shift public narratives about domestic violence.

Capacity-building – Despite limited time and resources, domestic violence advocates, programs and allies throughout California provide life-saving services; advocate on behalf of victims and survivors; and promote prevention through social norms change. The Partnership is here to assist these individuals and organizations in accessing information they need in order to do this critical work. Our technical assistance and training services support and strengthen their ability to provide effective services to survivors, to implement cutting-edge prevention strategies and to run successful organizations.

The Partnership is primarily funded through federal grants awarded by the U.S. Department of Health and Human Services, the U.S. Center for Disease Control and Injury Prevention and the U.S. Department of Justice Office on Violence Against Women. In addition, significant grant funds are received from the State of California Office of Emergency Services, as well as from private foundations. Other revenue is derived from membership dues, program fees, event sponsorships and individual donors.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2017 and 2016

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: Financial statement presentation follows the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958-205, *Financial Statements of Not-for-Profit Entities – Presentation of Financial Statements*. Under (ASC) 958-205, the Partnership is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The financial statements of the Partnership have been prepared on the accrual basis of accounting. Net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Partnership classifies its net assets and changes in net assets as follows:

Unrestricted net assets — Net assets that are not subject to donor-imposed restrictions or the donor imposed restrictions have expired.

Temporarily restricted net assets — Net assets subject to donor-imposed restrictions that may or will be met either by actions of the Partnership and/or the passage of time.

Permanently restricted net assets — Net assets to be held in perpetuity as directed by donors. The income from the contributions is available to support activities as designated by donors. The Partnership had no permanently restricted net assets at June 30, 2017 and 2016.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Equivalents: Cash and equivalents consist of cash on hand and highly liquid investments with original or remaining maturities of three months or less at the time of purchase.

Revenue Recognition: Revenue from governmental contracts is recognized to the extent of incurred expenses, up to the grant or contract ceiling. Any excess of expenses incurred over cash received is recorded as a grants receivable; any excess of cash received over expenses incurred is recorded as deferred revenue.

Contributions are recognized as revenue when they are received or unconditionally pledged. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions that are temporarily restricted are classified as unrestricted net assets if the restriction expires in the reporting period in which the revenue is recognized. Revenue derived from membership dues are recognized over the period to which the dues relate. Workshop revenue is recognized in the period in which the event takes place.

Amounts Held As Agent: Amounts held as agent represents grant proceeds received for the benefit of another organization for which the Partnership serves as a pass-through agency for receipt of funds and payment of expenses.

Deferred Revenue: The Partnership recorded deferred revenue relating to membership dues received prior to June 30, 2017 and 2016 for the next fiscal year.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2017 and 2016

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fixed Assets: Acquisitions of equipment and furniture of \$5,000 or more are capitalized. Equipment and furniture are stated at cost and depreciation or amortization is computed when assets are placed in service using the straight-line method over estimated useful lives of three to seven years. Expenditures for maintenance and repairs are charged to expense as incurred.

Accrued Vacation: It is the Partnership's policy to accumulate a limited amount of earned but unused vacation time, which will be paid to employees upon taking vacations or upon separation.

Functional Expenses: The costs of providing program services and supporting services have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Indirect costs are allocated among programs and supporting services based on personnel, space and other factors.

Donated Services: Members of the Partnership donate their time to various activities of the Partnership, including leadership, committees and member events. The value of the contributed time is not reflected in the financial statements since it does not meet the criteria for recognition as a contribution.

Income Tax Status: The Partnership is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. In addition, the Partnership qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Management of the Partnership has evaluated the tax positions and related income tax contingencies. Management does not believe that any material uncertain tax positions exist. The Partnership's federal returns for the years ended June 30, 2016, 2015 and 2014 could be subject to examination by federal taxing authorities, generally for three years after they are filed. The Partnership's state returns for the years ended June 30, 2016, 2015, 2014 and 2013 could be subject to examination by state taxing authorities, generally for four years after they are filed.

Subsequent Events: The Partnership evaluated all events or transactions that occurred after June 30, 2017 and up to September 29, 2017, the date the financial statements were issued. During this period, the Partnership did not have any recognizable or nonrecognizable subsequent events.

New Pronouncements: In August 2016, the Financial Accounting Standards Board issued ASU No. 2016-14 that will simplify and improve how not-for-profit entities classify net assets as well as the information presented in financial statements and notes about liquidity, financial performance and cash flows. This statement will be effective for the year ended June 30, 2019.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842) intended to improve financial reporting regarding leasing transactions. The new standard affects all companies and organizations that lease assets. The standard will require organizations to recognize on the statement of financial condition the assets and liabilities for the rights and obligations created by those leases if the lease terms are more than 12 months. The guidance also will require qualitative and quantitative disclosures providing additional information about the amounts recorded in the financial statements. The amendments in this update are effective for the fiscal year ended September 30, 2020.

The Partnership is in the process of determining the impact of the implementation of these ASU's.

NOTE E — COMMITMENTS (Continued)

In 2017, the Partnership entered into an agreement with Double Tree by Hilton (Hilton) for guest rooms for the September 2018 Membership Conference. The agreement with Hilton for facilities and rooms includes a cancellation policy that obligates the Partnership to pay 100% of the \$17,440 cost for failing to cancel less than six months prior to the event.

In 2017, the Partnership entered into an agreement with Marriott San Francisco Airport Waterfront (Marriott) for guest rooms for the March 2018 Annual Conference. NOTE F — CONCENTRATIONS

At June 30, 2017, the Partnership maintained its cash balances with multiple banking institutions. A significant reduction in the level of this revenue, if this were to occur, may have a significant effect on the Partnership's programs and activities.

NOTE G — CONTINGENCIES

The Partnership receives grants for specific purposes that are subject to review and audit by the funding source. Such audits could result in the funding source's request for reimbursement for expenditures disallowed under the terms and conditions of the contracts. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
California Partnership to End Domestic Violence  
Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the California Partnership to End Domestic Violence (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 29, 2017.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the California Partnership to End Domestic Violence's (the Partnership) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors of  
California Partnership to End Domestic Violence

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the California Partnership to End Domestic Violence's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR  
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of  
California Partnership to End Domestic Violence  
Sacramento, California

**Report on Compliance for Each Major Federal Program**

We have audited the California Partnership to End Domestic Violence's (the Partnership) compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Partnership's major federal programs for the year ended June 30, 2017. The Partnership's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Partnership's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Partnership's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Partnership's compliance.

To the Board of Directors of  
California Partnership to End Domestic Violence

### **Opinion on Each Major Federal Program**

In our opinion, the California Partnership to End Domestic Violence complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

### **Report on Internal Control Over Compliance**

Management of the Partnership is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referenced to above. In planning and performing our audit of compliance, we considered the Partnership's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified

The Partnership's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Partnership's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
